PERFECT COCKTAILS IN SECONDS

Discover the Mixo Two

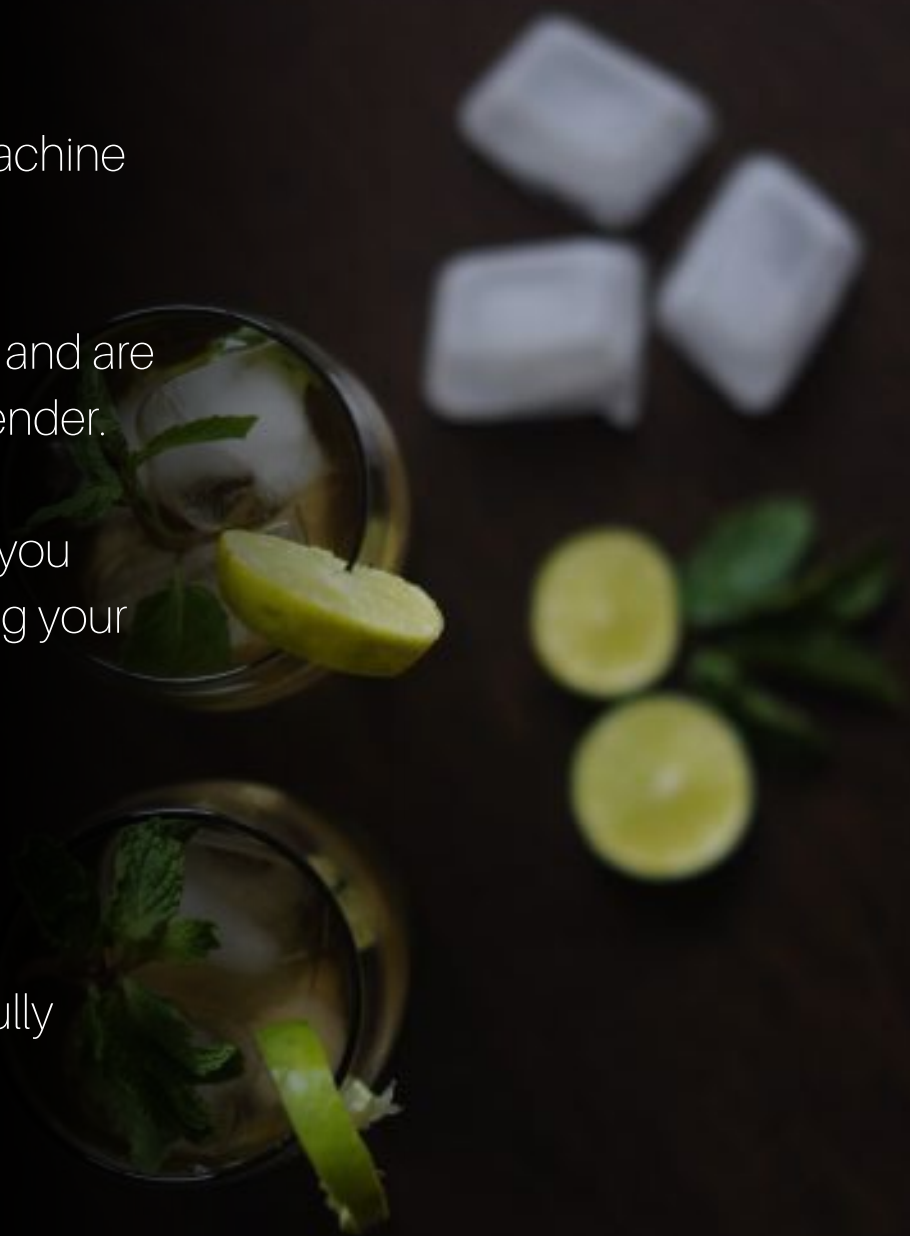

The Mixo Two is the first fully-automated cocktail machine in the world which helps you save time and money.

Our cocktails can be made in less than 30 seconds, and are of the same quality as those made by a trained bartender.

Profitable from 1 cocktails per day, the Mixo makes you more profit per cocktail, with less effort, while keeping your customers happy and coming back.

Delivered with 150 pre-installed recipes, the Mixo measures all the ingredients to reduce waste.

Have your own set of special recipes? The Mixo is fully customizable - the sky is the limit!
