### Our Story

We are a Gift Hamper Company that has been in the gifting industry for 19 years supplying quality food, wine and gift hampers. Our longevity is a testament to the quality of service offered to our customers.

We distribute thousands of hampers around Australia to both the Corporate & Hospitality sectors. We work closely with many Australian Food Manufacturers and distributors to ensure we only use the best quality food products in our hampers.

### Complete Hospitality Guide

You have asked for a complete promotional guide and here it is. It will give you a chance to plan 12 months activities quickly and easily.

Our complete turn key trade promotions come complete with prizes, posters, entry forms and full terms & conditions to ensure the promotion complies with the Gaming Authority in each state.

We have put together this book as a reference guide. All prize packs listed can be interchanged with different themes and concepts. If you are looking for something bigger or unique, please contact us for a custom quote. All hampers and prizes may also be purchased on their own.

Orders can be placed online at [www.hamperworld.com.au/hospitality](http://www.hamperworld.com.au/hospitality) by filling in the order forms at the back of this book or by calling 1800 566 433
