SECTION 2 (STANDALONE TEXT)
TriTek Staffing is a National Technical Staffing and Recruiting Solutions Provider founded in 2013 focused on matching contract and full time Engineering and IT professionals with new and exciting employment opportunities!

SECTION 3
Simply said… WE LOVE TO RECRUIT! It's our passion and we take it very seriously! It is not easy for JOB SEEKERS to put their job search efforts and trust in the hands of someone else, especially when there are so many Staffing Firms to choose from. So how do you know you are choosing the best Staffing Representation possible?
ADD A BUTTON THE SAYS "LEARN MORE" AND A BUTTON THAT SAYS "VIEW JOBS"

SECTION 4
Are you responsible for Technical Staffing within your organization? Are you satisfied with your current Supplier(s)' overall performance? Does it appear they identify potential Candidate(s) based purely on "buzz-word" searches? Is it evident they just do not grasp the scope and responsibilities of your technical staffing need(s)?
BUTTON THAT SAYS "LEARN MORE" AND A BUTTON THAT SAYS "HIRE TALENT"

SECTION 5 (testimonial)
Joe D. – Electrical Test Engineer in the Automotive Sector:
"Jerry Solar is an excellent recruiter. He is articulate, honest, has a good nature and is an effective information conduit between his clients and candidates. He gave me the feeling he is
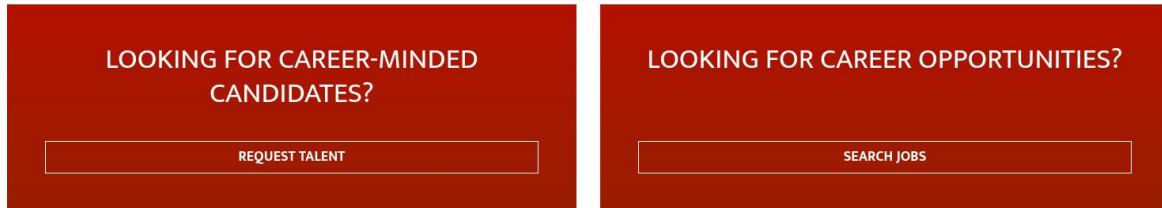

there for the big picture desiring to forge a future relationship that will be mutually beneficial to both of us."
