

STORAGE -BOXES-

SMART BOXES

Green Bean Packaging can custom print any of the above cartons to suit customer requirements. A minimum volume of 1,000 units will apply for printing. We also supply custom made cartons to suit customer requirements such as standard RSC's, innovative die cut boxes and a range of freight crates and bulk bins. Should you require any further information regarding our product range and services, just call and talk to one of our experienced packaging consultants.

THE BOXES

Whether you require storage boxes for your household items, important documents or precious items like glassware and crystal Storage Boxes will have the product to suit you.

TEA CHEST BOX

L: 431mm W: 406mm H: 596mm

CAPACITY: 1.04 m²

Twin Cushion B/C Flute

For packing & storing all general household products. The double wall construction offers safe handling for your valuable items. These boxes are designed for multiple stacking for either storage or distribution.

ARCHIVE BOX

L: 390mm W: 306mm H: 260mm

CAPACITY: 0.310 m²

Single Wall C flute

Standard archive box for storing documents and invoice records. The reinforced double wall end panels add to the box strength and allows for the cartons to be multiple stacked.

CRYSTAL BOX

L: 405mm W: 305mm H: 320mm

CAPACITY: 0.408 m²

Twin Cushion B/ C flute

For packing and storing all your precious items, like glassware, crystal, crockery and antiques. The double wall construction offers side wall protection as well as top & base protection.

BOOK & GENERAL ITEMS

L: 410mm W: 285mm H: 435mm

CAPACITY: 0.508 m²

Single Wall C flute

Strong single wall construction to hold books, photos and general household items.
