Will this menu be collapsed until it is clicked on? (I don't want it sticky/showing all the time)

Home   Who I Am   What I Do ∨   How to Reach Me

By Craft

Br Brand

STACEY HAN
CONTENT ... EVERYTHING

Logo is missing part of the C. Can we please fix? I've attached all my content files for the logo for you to use.

Can we make sure this black line and the reflected image does not appear on the live site?

By Craft

Each of the images will open larger when someone clicks on these modules, is that correct? (and the By Brand modules, too)

I am not sure if I need to choose between the top or the bottom How to Reach Me design. I like both, but I like the bottom design probably a bit better to use throughout the site.
