

New high resolution rendering to be provided shortly

Home,
By Design
845 Lawson Ave
(first two rows larger font than last)

Fill peak with dark color – add
"4 units available"

Corp colors – I'd use blue and yellow, maybe some green, for the sign

Thoughtful Masterplan featuring larger featuring main floor great room, luxurious master, large windows, large sliding doors connecting you to your private courtyard, lots of storage, ample parking

Meticulous Refinement that make life's moments richer: custom ensuite, stone fireplace, kitchen island, quartz countertops, stainless steel appliances, extensive built in cabinetry.

Unexpected Features are why you love your home - Private courtyard, dedicated workspace, your own single car garage, concrete soundproof common wall, acoustically insulated master bedroom.

Tech-savvy Amenities that embrace the future with energy-saving features like electric vehicle plug-in, hot water on demand, solar ready, electric blind rough-in, and video doorbell.

Remove Vello branding; will add Mazi logo when availab.e

Replace with 778-581-3469
