event structures

**BROCHURE**

# From exhibition & event structures to branding, we provide a truly turn-key solution.

We design & create event scaffolding structures, towers, ramps, staircases & complete overlay for our clients in the events industry.

*On site in Milan, of course there was a series of hurdles, but working with Vantage made sure the project was always in hand and delivered perfectly'*

Graham Hudson

# Marquee Sub Structures & Ground Levelling Platforms

3

“ Vantage Event & Media Structures can provide marquee sub-structures for any event.

Our superb scaffold support systems and ground-levelling solutions allow you complete freedom when choosing the location of your event structure.

## Main uses include:

- Temporary ice skating rinks
- Event walkways & raised platforms
- Viewing platforms & sporting events
- Music festivals staging
- Marketing showcases
- Film & broadcasting events
- Shows & exhibitions

## Score & Advertising boards

**Our scoreboards have** seen outings at multiple prestigious sporting events and occasions for many years.

### Main uses include:

- Scoreboards/Leader boards
- Promotional content
- Television screen support
- Public information
- Sponsorship advertising
- Event information

Using traditional scaffolding or Layher systems, we offer a tried and tested solution, ready to brave the harshest of environments.

Vantage Event Structures offer a complete solution. We can custom design, engineer and construct each scoreboard to the specific aesthetical requirements of our customer. We also offer a huge range of colour ways and finishes.

**Vantage Event Structures** have provided bespoke camera towers and state of the art viewing platforms to some of the largest names in media and television.

Whether you're broadcasting, recording or spectating, we have everything covered. From design and engineering to hoarding and branding, Vantage will take care of every incidental.

## Some of the Towers & Platforms we provide are:

- Camera towers
- Lighting platforms
- Mobile towers
- Promotional towers
- Security vantage towers
- Commentary platforms
- Spectator towers
- Cable towers

# 6

## Fencing & Barriers

**When it comes to event crowd control,** Vantage Event Structures have you covered. Fully compliant with health and safety legislation, our fencing and barrier solutions offer practicality whilst ensuring your event goers are well protected and able to enjoy themselves as intended.

**Whether you need perimeter fences or visitor queuing systems, we'll listen to your needs and provide you with a tailor made solution. Choose from a supply and fix or supply-only service.**

### Fencing and barrier options include:

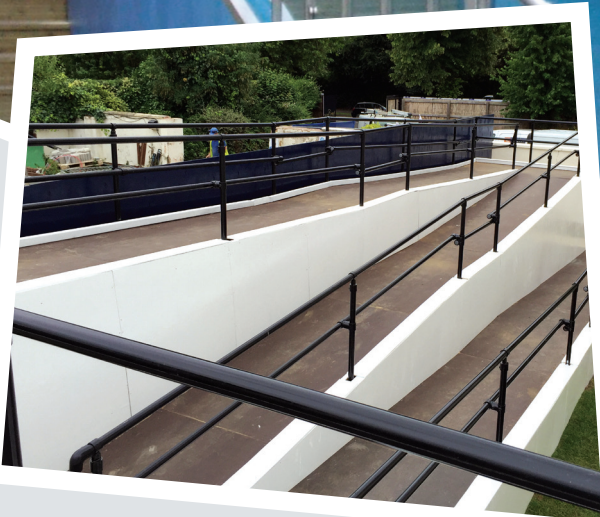

- Anti-climb fencing
- Pedestrian gates
- Vehicle gates & barriers
- Anti-tamper clips
- Fence sheeting
- Fixed feet barriers
- Pit barriers
- Police 'D' barriers
- Flat feet barriers
- Plastic, one piece barriers
- Pedestrian access barriers

With access to a whole range of different ramp products, Vantage Event Structures are able to provide our customers with a truly bespoke public access solution.

From public access system ramps to glamorous VIP hospitality entrances with carpeted walkways, Vantage have everything covered. We also offer a range of professional finishes included painted plywood hoarding and high density netting. We also have basic systems for back of house and catering requirements. Contact us today to see how we can assist you with all your event access needs.

**With access to a whole range of different staircase products, Vantage Event Structures are able to provide our customers with a truly bespoke public access solution.**

From public access system staircases to glamorous VIP hospitality entrances with carpeted steps, Vantage have everything covered. We also offer a range of professional finishes included painted plywood hoarding and high density netting. We also have basic systems for back of house and catering requirements. Contact us today to see how we can assist you with all your event access needs.

**At Vantage Event Structures we pride ourselves** on our can do attitude which is why we've had the pleasure of working on some of the most complex and individual event projects.

From interactive art installations to pop up cinemas, we always work closely with our clients from design completion; ensuring that their vision becomes reality.

Our ever-expanding portfolio includes: fashion show catwalks, suspended DJ booths, interactive video game structures and entire nightclubs constructed from scaffolding. Our Creative Team believe that no project is too difficult to take on which has given us the opportunity to work on some of the most interesting projects the events industry has seen.

## We have created:

- Snowboard, skate and motocross ramps and berms
- Sporting stages
- Fashion show catwalks
- Scaffold art sculptures
- Climbing walls
- Exhibition platforms
- Handrails
- Scaffold buildings
- Scaffold mazes

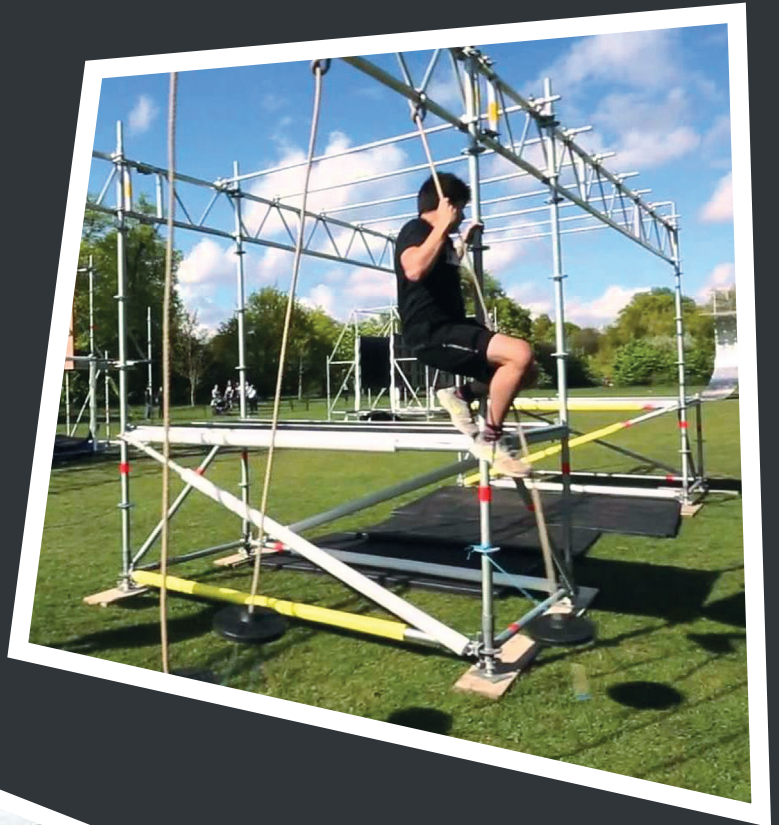

**For temporary assault runs or obstacle courses, look no further than Vantage Event Structures.**

We can design, engineer, construct and even event manage a your activity, from as little as a simple idea or basic concept.

From rope swings and climbing frames to public access and event signage, we can accommodate an event of any scale. No obstacle course is an obstacle to high.

**When it comes to public access, Vantage Event Structures have a wealth of experience in providing the right option to suit any occasion.**

From glass balustrades suitable for VIP areas to simple back of house Key Clamp systems, we have everything you need to ensure the safety of your customers whilst maintaining visually pleasing aesthetics.

For situations that require something extra special, we offer a fully bespoke manufacturing service. Our design team will create a 3D model of your handrail, allowing you to visualise the design before implementation.

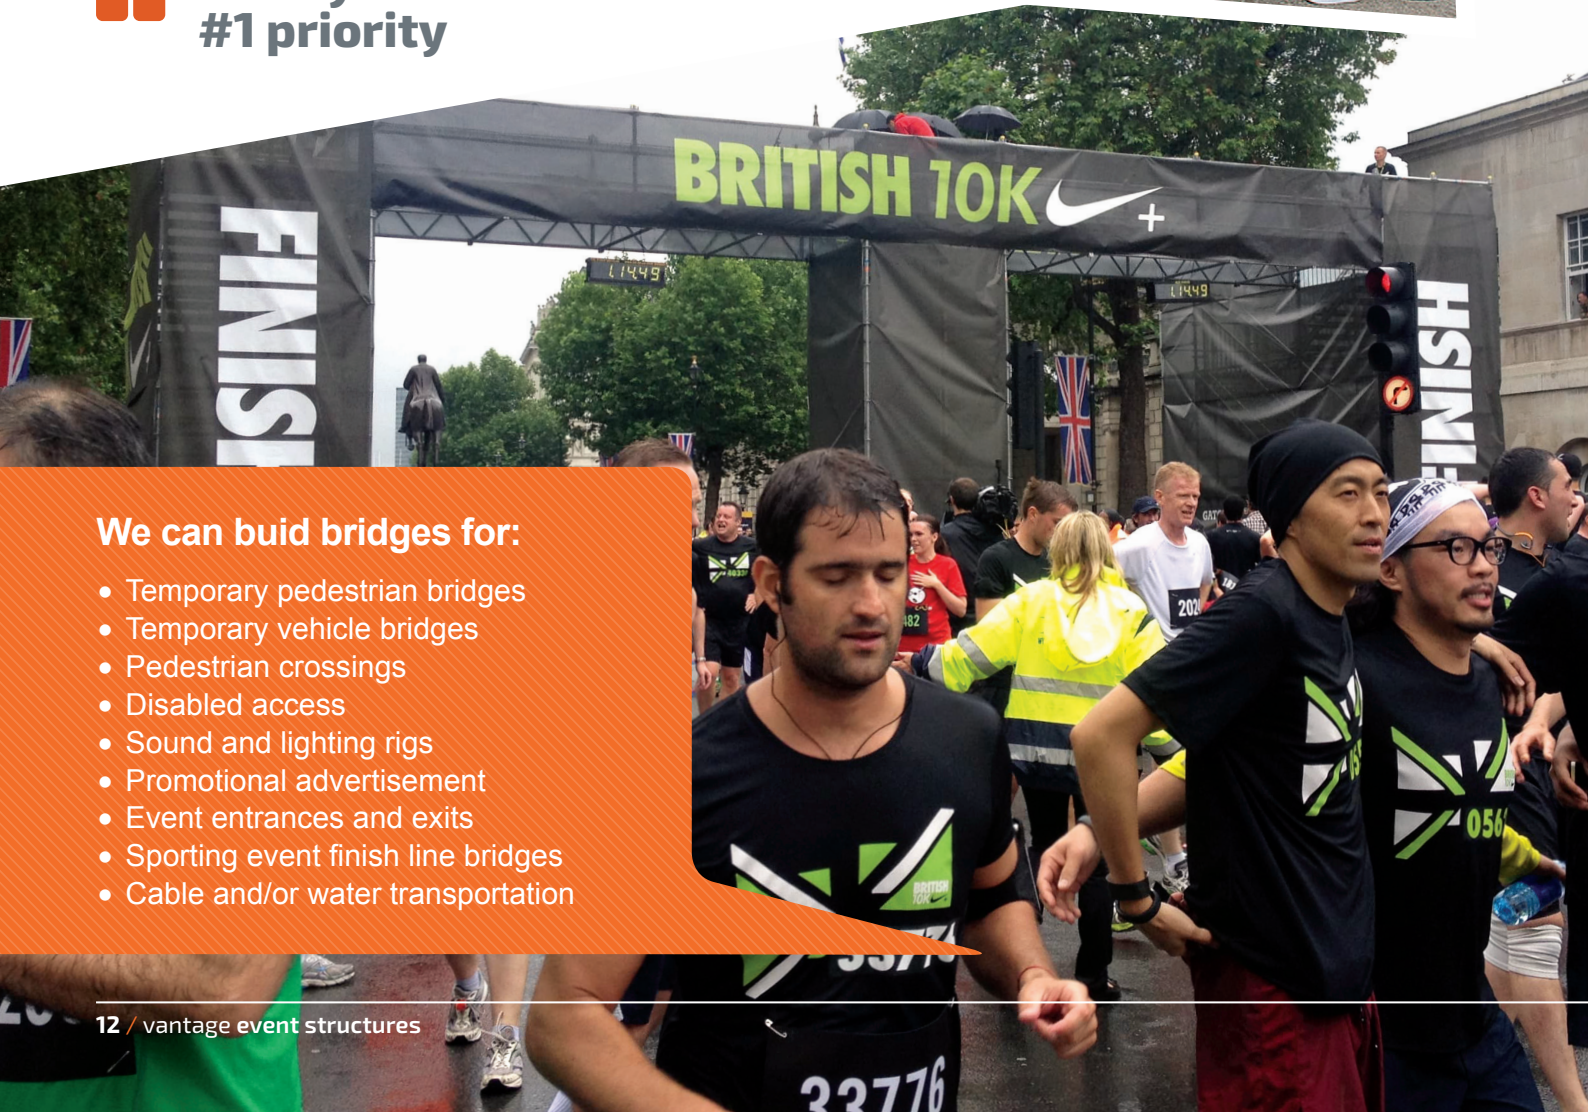

**“ For situations that require something extra special, we offer a fully bespoke manufacturing service.”**

**From public access walkways over water to marathon finish line bridges, Vantage Event Structures have assisted our customers in delivering outstanding structures for many years.**

Bridges are not only a practical access solution for your event, they can be a great way to display key information or advertising. Because of this, we offer a complete 'dressing up' package in which we can cover the structure in various finishes including: painted timber cladding, high density netting and full branding with our design and print service.

**“ Safety is our #1 priority**

### We can build bridges for:

- Temporary pedestrian bridges
- Temporary vehicle bridges
- Pedestrian crossings
- Disabled access
- Sound and lighting rigs
- Promotional advertisement
- Event entrances and exits
- Sporting event finish line bridges
- Cable and/or water transportation

## “Please be seated”

We know that your event will have very specific seating requirements. With this in mind, we offer each client a unique seating solution, whatever the size or scale of your event. If you need temporary stadium seating for a sporting event or seats for TV show audience, we can help.

### We provide seating for:

- Marketing showcases
  - Sporting events
  - Fashion shows
- Public Announcements
- Theatre productions
- Galas and fêtes

Our experienced team will design, engineer and construct your seating, providing you with a hassle free service from start to finish. Health & safety procedures will be implemented throughout the design and build process; giving you a stress free service and peace of mind.

**From small performance podiums to large festival sound stages, Vantage Event Structures have constructed staging for many events across the UK and Europe.**

Whether you need a bespoke catwalk for a fashion show in Milan or a floating stage for a summer time festival on the river, we can deliver. We'll work seamlessly with your event management team to ensure our service keeps your performers centre-stage at all times.

#### **We provide stages for:**

- Event Security Services
- Festival Stages
- DJ's
- Modular Staging Rental
- Covered Stages
- Outside Stage Hire
- Stage Hire for Conferences
- Conference Production Services
- Wedding Reception Services
- Tiered Seating Solutions
- Catwalks
- Opening Ceremonies
- Stages for Sporting Events
- Lighting
- Sound Systems
- Dance Floor Hire
- Concert Staging
- Stages for Tiered Seating
- Raised Dance Floors
- Stages for Speeches
- Band Stages
- Stages for private parties

# EVENT SPACES

**We always thrive on a creative challenge at Vantage, and we've masterminded some of the most complex structure trials the events industry has ever seen before.**

- |                    |    |
|--------------------|----|
| • Marquees         | 16 |
| • Commentary Boxes | 17 |
| • Pop-up Buildings | 18 |
| • Temporary Roofs  | 19 |

**Marquees are the perfect temporary indoor space solution for any type of event.** Working with our partners, we at Vantage Event Structures are able to offer a complete marquee design and construction service from sub-structures and access to furnishings and fittings.

**“ ... we are on hand to provide you with a safe and stylish marquee to suit any occasion.**

**Optional extras include:**

- Insulation
- Secure accommodation
- Heating or air conditioning
- Roller shutters
- Fire doors
- One, two and three-storey marquees
- Balconies, access stairs and walkways

**From sporting events to televised occasions of public interest, our renowned commentary boxes will put you where you need to be, at the heart of all the action.** These event structures are also commissioned for broadcasting as well as for surveillance at high-profile events where emergency services need clear views of the venue.

We have options for commentary boxes with 180° and 360° views or can design and construct a purpose built structure to your exact event requirements, inclusive of integral access staircase and hoarding in your event livery.

**Our pop-up spaces are a great idea** when you need something special yet temporary to captivate your audience. An interactive event space is the perfect way to promote your brand or product by giving people something to talk about.

With hundreds of design and build options, the possibilities are endless. Using various materials and construction techniques, Vantage Event Structures have the experience and knowledge to create something truly original.

Amongst other clever concepts on our colourful CV, we've built bijoux cinemas, pop-up night clubs and temporary radio stations. We'll create your pop-up building from your initial concept. Need branding and decorating too? No problem, we've got it all covered.

Our Temporary Roofs are the perfect solution for when you need a structure that is both watertight and weatherproof.

With various options available; from large custom built modular systems to basic sheet metal roofs, all of our roofing solutions are designed and engineered in line with current health and safety legislation.

## OptionsWe provide temporary roofs for:

- Insulation
- Stage covering
- Spectator stands
- Rain break areas
- Hospitality arenas
- Marquees
- Indoor sporting events
- Media control and telecommunication areas

# EVENT AESTHETICS

When nothing less than a slick and seamless finish will do, we offer our clients a dedicated service from the ground up.

|                               |    |
|-------------------------------|----|
| • Decorating                  | 21 |
| • Event Branding              | 22 |
| • Hoarding & Carpentry        | 23 |
| • Film & Theatre Set Displays | 24 |

**Having the ability to transform your event space in to something that gives your customers the 'wow' factor is something we pride ourselves on at Vantage Event Structures.**

#### **We can provide:**

- Temporary ice skating rinks
- Gobo pattern projections
- Chair covers
- Tables and chairs
- Linen
- Cutlery, glassware and crockery
- Floristry and table centrepieces
- Branded plinths
- Stage backdrops
- Lighting solutions

Whether you need lighting and event graphics or props and furniture, we have you covered from start to finish. Our relationships with some of the industry's most respected suppliers, ensures that your event is dressed up in style.

**With countless global events on our CV, Vantage Event Structures specialises in the production and installation of event branding, signage and way-finding for all outdoor and indoor events**

Event structures such as towers or bridges pose great potential for showcasing key advertising and event branding.

For this reason, we at Vantage Event Structures provide a complete event branding solution; including our own design and print service. We can also build dedicated support structures to showcase important messages or signage and the possibilities are endless when it comes to shape, size and colour.

- Bespoke designs to your specifications
- Structure and branding packages available
- Flexible or rigid substrates
- Sustainable and reusable products
- Large formats available

**When it comes to putting the finishing touches on a marquee sub-structure, temporary staircase or any other event structure, you need something that looks slick and seamless.**

## Uses include:

- Perimeter hoarding
- Sub-structure masking
- Temporary staircase and ramp hoarding
- Storage compartments in temporary structure bases
- Bridge finishing and undercarriage covering events

From high-density netting to hard materials like ply-board and steel, we can accommodate almost any required finish and can even match your event and company livery. Using our printing service, we are able to prefabricate hoarding panels at our warehouse, meaning less time spend on site. All of our hoarding materials are fire safety tested and eco-friendly, giving you peace of mind and allowing you to concentrate on the more important aspects of your event.

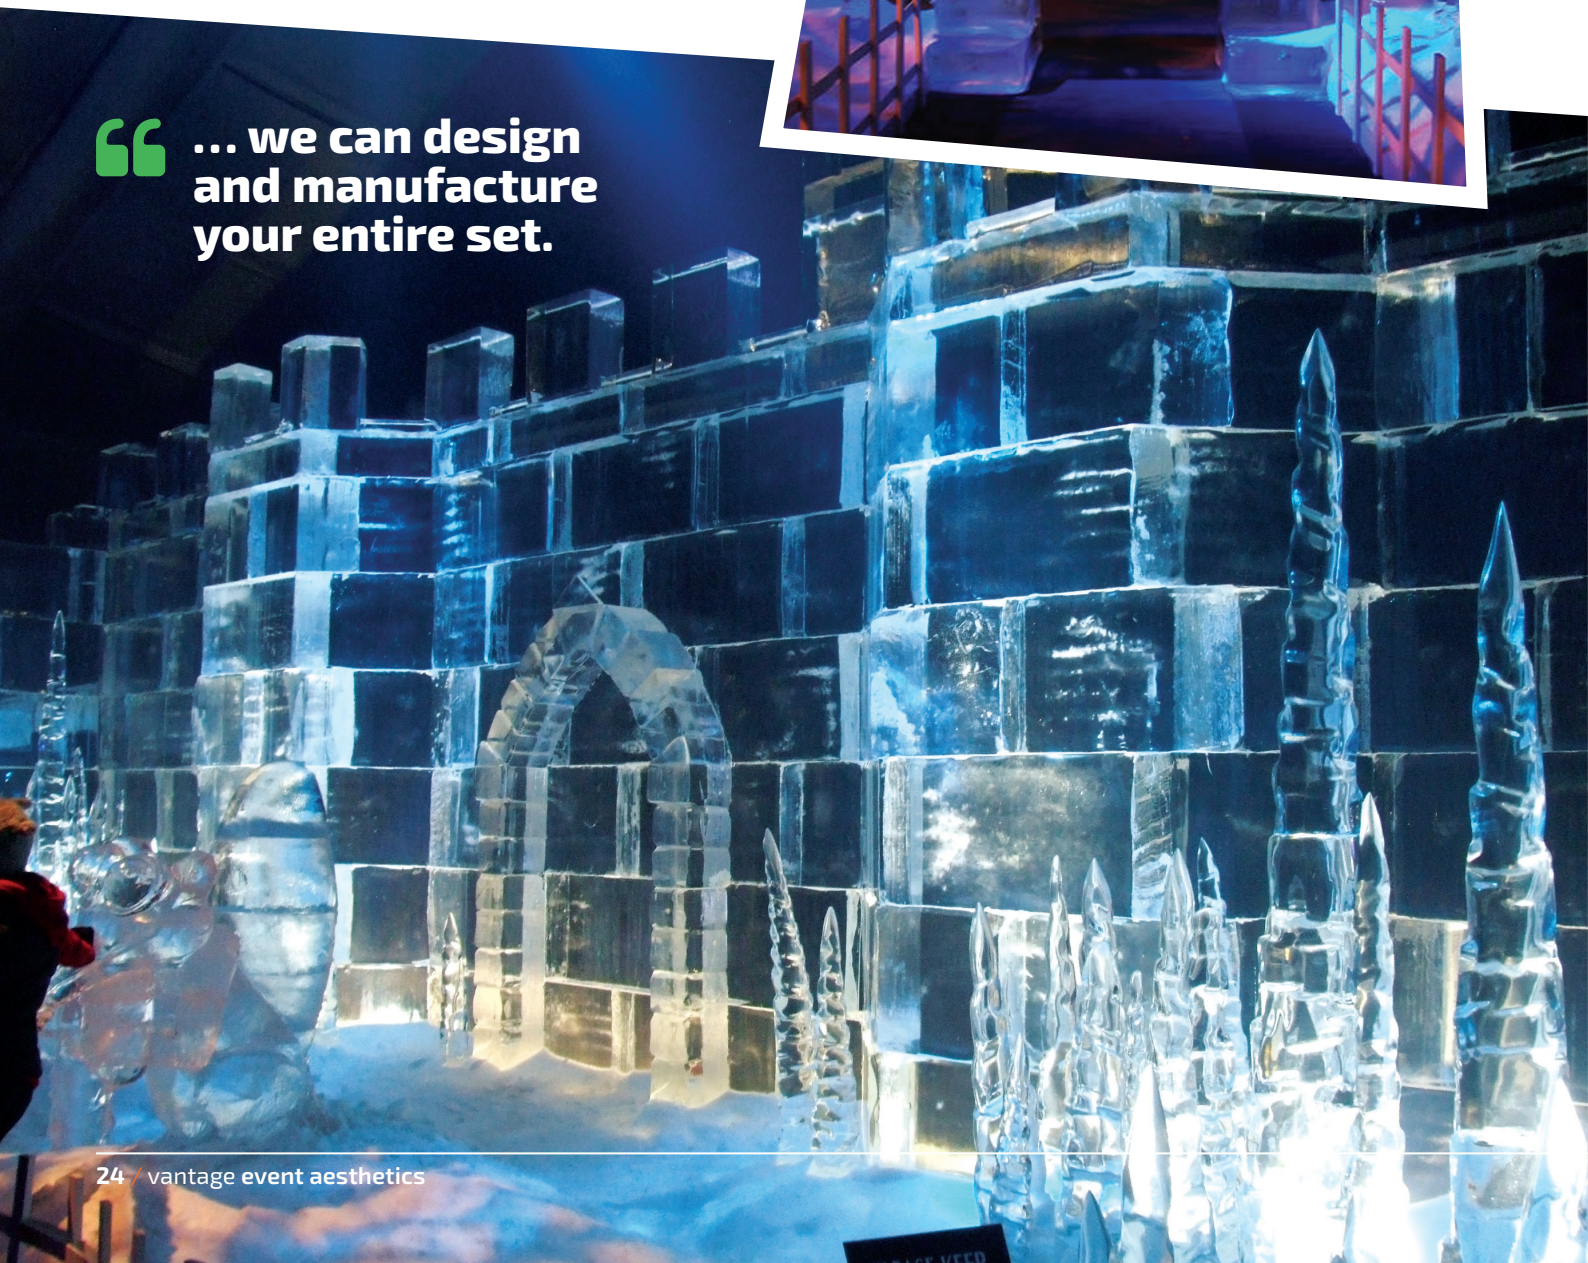

**Working closely with artists and set designers, we have the ability to turn initial ideas and concepts in to atmospheric and professional set displays.**

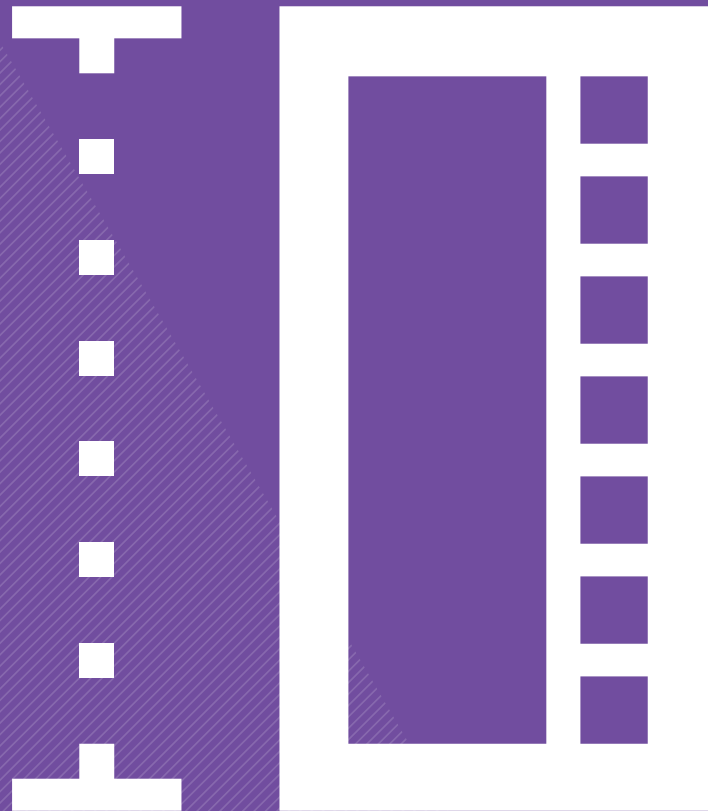

Our design team work with cutting-edge 3D scanning technology, 7 axis CNC robotic sculpting and cutting machines and dual component spraying systems, allowing us the ability to create just about anything you require.

**“ ... we can design and manufacture your entire set.**

# EVENT CREATIVE

We've masterminded boutique pop-up cinemas and floating DJ booths in our time, and we're skilled in creating events and attractions that'll get people talking about your brand.

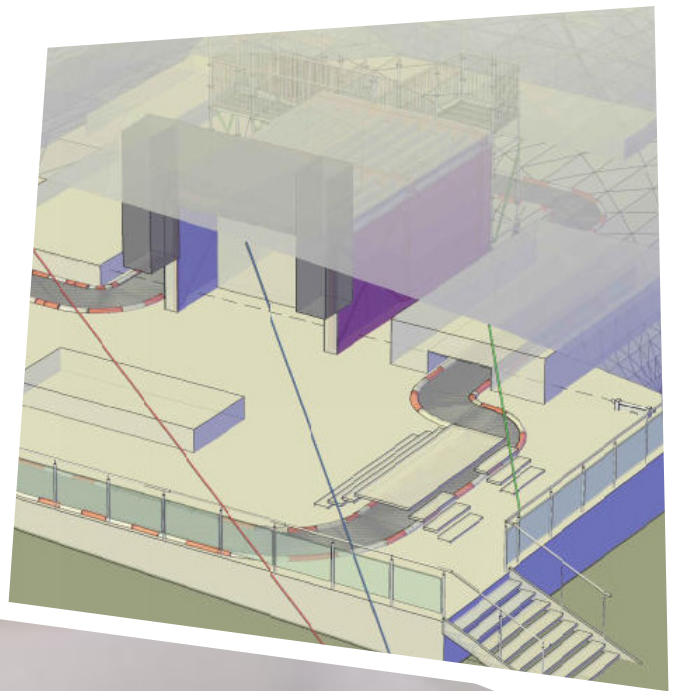

|                        |    |
|------------------------|----|
| • Create               | 26 |
| • Production           | 27 |
| • Design & Engineering | 28 |

**We're a dynamic team at Vantage and we love nothing more than a challenge that calls our creative talents into play.**

From understanding your concept to getting to grips with your brand, your budget and your target market, we'll put together a package of ideas for your next event, PR move or marketing campaign. And what's more, once you give us the go-ahead we'll get on and make that idea happen.

**To see how we can help, call us today!**

From complex marketing concepts to stand-alone builds for exhibitions, we'll use your vision to produce a stellar event. Working with our team of skilled craftsmen, we promise that your event structure - however simple or complex - will be finished to the best standard of quality and constructed using the highest level of safety.

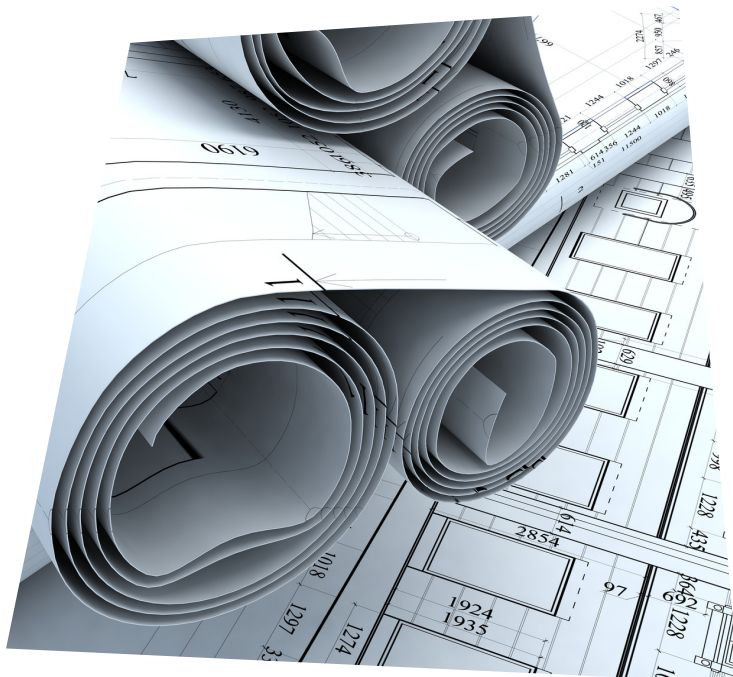

“ ... constructed using the best level of safety.”

**With our experienced design team to hand we can bridge the gap between creating the initial concepts to erecting the finished article – a complete event scaffolding solution.**

We provide a competitive, creative service to clients in the events industry across the UK and beyond. We design and engineer everything from conventional camera towers to bespoke art installations. Not only have we seen and done it all, we're always looking for a new challenge.

**“ ... we're always looking for a new challenge.**

Since carrying out our first project in 2011, Vantage has soared from strength to strength. From winning prestigious contracts with the London 2012 Olympic Games to working on the Royal Wedding and Queen's Diamond Jubilee, we have experienced a great deal in a relatively short space of time and we haven't looked back since.

## We Aim To Please

At Vantage Event Structures we are dedicated to providing a service which is professional, safe, within budget and delivered on-time. We operate with maximum respect for our clients' valuable reputation and it is our mission to exceed expectations.

We only employ consummate professionals and our customers like the fact our workmen are both skilled and courteous.

Our passionate staff have experience in working in leisure, television, theatre, sports and entertainment events in both the UK and across Europe.

## Problem Solvers

Know what you want but not sure how to achieve it? Speak to us – we love a challenge! Our helpful Operations Manager and Scaffold Safety Inspectors will work closely with you and your team, working out the safest and most cost effective route to achieving your vision.

We think our bare structures are beautiful, but we appreciate that not everybody feels the same.

If our quality scaffolding structures need hiding from front-of-house, we provide many options such as our 'dressing up' package to give a professional and seamless finish.

Join our impressive list of satisfied customers by calling **0300 030 9904** or visiting **[www.Event-Structures.com](http://www.Event-Structures.com)**.

*Many thanks indeed for a job well done. It was on time, on cost and on quality; the three measures that count on all projects. Delivering on time was critical to us and Vantage did a fantastic job from start to finish. We look forward to welcoming you back to see it in action.*
