

# Words of Prey - Logo - moodboard

# Words of Prey - Logo - SHORTLIST

## Style:

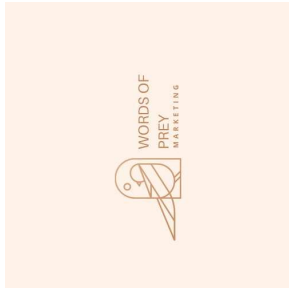

Like the line drawing, simple style

Like the non seraph font of bottom example

How to make it unique as these are templated

Can a pen be incorporated in to design? Does it look naff?

2 options with these two styles as stimulus.

## Use:

Web, invoices, rates cards etc

Versions -

**WORDS OF PREY. MARKETING**

**WORDS OF PREY. COPYWRITING**

**WORDS OF PREY. (Simple version for LinkedIn profile etc)**
