

We need a website design for the homepage and one inner page for a TV Mounting & Appliance Repair company.

The goal is to promote the company's services and provide information about the company.

TV Mounting & Appliance Repair Company Homepage:

LINK TO [LOGO](#)

-Banner with company name (Fixter) and slogan (e.g. "Your One Stop Shop for TV Mounting and Appliance Repair")

-Overview/content of services offered (TV mounting, appliance repair)

-Call to action buttons (e.g. "Schedule a Service", "Request a Quote")

-Location and contact information (please create a map of East coast of from Maine to Virginia)
