Message From Managing Director

It gives me great pleasure to welcome you to Al Moallam & Sons Company. Here you will find a comprehensive, in-depth review of our company, reflecting the pride of 3000+ global employees contribute to our ongoing growth and current success. It also conveys our sense of mission and vision—to become the preferred Industrial leader in Industrial support services.

Today, change is everywhere. Our customer's markets are evolving rapidly in response to market volatility, new technology, and new service trends. Sustainability is often the spur, driving demand for better, cleaner, and more-efficient services and ways of performing services.

For companies that can see potential in these challenges, this is a good time to be in business. From its foundation in 1944, Al Moallam & Sons Company has sought to adapt quickly to customer needs and market requirements. Our tradition of ingenuity has driven continuous improvement in the way we operate as well as a relentless quest for sustainable growth.

Today, Al Moallam & Sons Company is transforming itself to take advantage of the latest wave of change. We are reshaping our business units to ensure they are equipped to take advantage of emerging trends in growing markets. These include Facility Management services, Technology, customer services, personal and industrial hygiene. This transformation aims at making us more agile, cost-efficient, and aligning us ever more closely to the needs and requirements of our customers.

A growing world needs cost effective, more efficient services, while at the same time meeting rigid safety standards. It needs innovative and technical work

force whom we continuously train them to be able to face new challenges to improve our quality of life. Here, you will also discover our commitment to the communities where we live and work; how we protect and sustain the environment we all share; our pioneering technology and innovation that builds a better future; the high-quality products we offer our customers; and, the financial return we offer our shareholders.

At Al Moallam & Sons Company, we have always found excitement in challenge. As you browse through this website, you will get a sense of the passion, expertise, reliability, and innovative nature that we bring to our mission. We call this 'Chemistry That Matters'.
