

RSO Original

RSO (RICK SIMPSON OIL) IS A FULL SPECTRUM CANNABIS OIL EXTRACTED USING ONLY PURE FOOD-GRADE ALCOHOL. THIS IS WHAT MAKES OUR RSO ORIGINAL A TRUE FULL EXTRACT CANNABIS OIL (FECO).

RSO CONTAINS ALL THE BENEFITS OF THE WHOLE-PLANT CONCENTRATED AND IS HIGHLY SOUGHT AFTER FOR ITS THERAPEUTIC PROPERTIES. SIMILAR TO THE COMPLEX MIX OF MICRONUTRIENTS FOUND IN HEALTHY WHOLE FOODS, OUR RSO ORIGINAL OILS ARE RICH IN BENEFICIAL PLANT PROTEINS, TERPENES, FATS, WAXES, AND CHLOROPHYLL.

RSO'S EFFECTIVENESS IS THE RESULT OF EXTRACTING THESE PLANT CONSTITUENTS ALONG WITH A FULL SPECTRUM OF CANNABINOIDS SUCH AS THC, CBD, AND CBG AMONG OTHERS PROVIDING A DEEP AND LONG LASTING RELIEF.

UNIQUE AMONG EXTRACTS FOR ITS DARK COLOR AND EARTHY FLAVOR, THIS IS THE ORIGINAL DOH-COMPLIANT RSO IN THE WASHINGTON MARKET AND ARGUABLY THE HEALTHIEST WAY TO CONSUME CANNABIS.

WILD MINT
