

Revitalizing Life

THROUGH HOLISTIC MEDICAL EXCELLENCE

OVERVIEW

Envoque MD is a premier holistic wellness center dedicated to addressing the root causes of health concerns rather than just treating symptoms. With locations in Scottsdale and Mesa, AZ, we combine the latest medical technology with personalized care to help our clients achieve optimal health, energy, and confidence.

THE ENVOQUEMD VALUE PROPOSITION

In a world of "quick-fix" medicine, **EnvoqueMD** stands apart by integrating bio-identical hormone therapy, sound nutrition, and advanced weight loss technology in a supportive, safe environment. We solve the complex puzzle of hormonal imbalance and weight gain by looking at the whole person.

“We don't just treat patients;
We partner with them.”

WHY CHOOSE US?

-  **Personalized Care:** No "one-size-fits-all" plans; every treatment is tailored to your unique biology.
-  **Safe & Effective:** Focused on long-term health and sustainable results.
-  **Expert Team:** Led by dedicated practitioners who specialize in complex hormonal and metabolic health.

Core Services & Specializations

HORMONE REPLACEMENT THERAPY (BHT):

Specialized treatments for PMS, menopause, and andropause using BioTE® certified bio-identical hormones.

MEDICAL WEIGHT LOSS:

Science-based programs featuring the latest technology, exercise guidance, and nutritional education.

TESTOSTERONE OPTIMIZATION:

Restoring energy, stamina, and libido for men experiencing age-related decline.

THYROID MANAGEMENT:

Expert diagnosis and treatment for the 40% of the population suffering from under-diagnosed thyroid issues.

FUNCTIONAL TESTING:

Goes beyond routine labs to uncover root causes, hidden imbalances, and environmental stressors that affect how your body truly functions.

INTRAMUSCULAR WELLNESS:

Science-based programs featuring the latest technology, exercise guidance, and nutritional education.

IV WELLNESS THERAPY:

Nourish your body, refresh your mind, and restore balance via direct-to-bloodstream nutrients for fast absorption and maximum benefit.

HOLISTIC MODALITIES:

Including acupuncture, and nutritional supplementation to foster total wellness.

Social Proof & Impact

95% SUCCESS RATE:

Our customized weight control programs have helped thousands of patients reach their health goals.

BioTE® CERTIFIED:

Expert practitioners certified in the gold standard of hormone replacement therapy.

DECADES OF EXPERIENCE:

A collaborative team of licensed medical experts with years of specialized clinical experience.

PATIENT TESTIMONIAL:

"Envoque MD changed my life forever. I finally feel like myself again."
