Cocoa Story

Fireside Fellowship Cocoa embodies the joy, laughter, and life-changing conversations that happen when students gather around a campfire, a cabin table, or a late-night club event. Its rich, comforting profile reflects the heart of YoungLife — creating spaces where every teenager feels seen, welcomed, and invited into a relationship with Jesus. Each cup captures the warmth of community, the spark of adventure, and the simple moments where faith often begins.

Ministry Spotlight

YoungLife reaches teens through fun, relational, Christ-centered ministry — meeting them in their world, earning the right to be heard, and sharing the Gospel through authentic friendships. From weekly clubs to summer camps, small groups, and one-on-one mentorship, YoungLife leaders walk with students through real life while pointing them to the hope of Jesus. Their mission is clear: every kid, everywhere, for eternity.
