

MASTER

3-Piece Tube Rolled Edges

104	Outside Height
65	Inside Diameter

- All measurements are in mm
- Retain layer structure in final dieline
- Make sure all fonts are outlined and images embedded
- Approximated inside height is outside height minus 15 mm
- Red - wrap areas (extend background bleeds to edges)
- Grey - safe zones (keep important design elements within)
- Yellow - Approximate overlap (on 2-piece and 1-piece tubes)
