Find My Style Appointment

Not sure what style you're looking for or just want to explore our collection? Our Find My Style appointment is the perfect way to browse and discover what you love at your own pace. This is a self-guided experience where you and your guests can view our curated selection without the assistance of a bridal consultant.

Your one-hour appointment includes a fitting area reserved exclusively for you and up to four guests, giving you a relaxed and comfortable space to explore gowns. A \$20 appointment fee is required to reserve your time slot and is non-refundable in the event of cancellation.

This option is ideal for brides who want to get a feel for styles and silhouettes before booking a full bridal styling appointment.

Bridal Appointment

We are committed to exceeding every bride's expectations, and that begins the moment you schedule your appointment with us. Your 1.5-hour bridal appointment is a personalized, semi-private, one-on-one experience with an expert stylist who is dedicated to helping you find the one. During your visit, your stylist will take time to learn about your wedding day, discuss your budget and gown must-haves, and guide you through different silhouettes and design details to help you discover what you love most.

You may bring up to four guests to share in this special experience. If you would like to bring more than four guests or prefer a fully private experience, we invite you to upgrade to one of our VIP appointments.

Because appointment times are reserved exclusively for you and are unavailable to other brides, a \$30 appointment fee is required to hold your time slot. This fee will be forfeited if the appointment is canceled. This is standard practice among bridal boutiques that offer a high level of personalized service.

FAQ

DO I NEED AN APPOINTMENT?

We encourage appointments so it allows us to cater to one bridal party at a time, ensuring that you receive our undivided attention as you find your dream gown and bridesmaid's dresses. Walk-ins are always welcomed and we will do our best to assist you! We understand our store hours may not fit your work hours. If you need an appointment after hours, please contact us directly.

HOW LONG DO APPOINTMENTS LAST?

Our appointments run for 90 minutes, which gives our brides enough time to try on several gowns/dresses in a relaxed and enjoyable atmosphere. We want to be sure not to rush you, so if you feel like you need more time, we are happy to accommodate when we can.

WHAT SHOULD I BRING TO MY APPOINTMENT?

We suggest you bring nude colored undergarments, such as a strapless bra, stickies, or nipple covers and seamless underwear. This will give you the best preview of what your gown will look like on the big day. We also suggest you bring a pair of shoes approximately the same height that you plan to wear on your wedding day.

WHAT SIZE ARE YOUR SAMPLE GOWNS?

Our in stock gowns are sample wedding gowns. Our sample gowns range from size 8-28, but can order size 0-32. You will be surprised by how good we are at adjusting & clipping to make sure you can tell what each gown will look like in your size. Please keep in mind that each collection may have different sizing. Therefore, we will take your measurements and find a sample that will be the best fit. Your gown will be made to measure.

WHAT IS THE PRICE RANGE OF YOUR GOWNS?

Our gowns start from \$800 and go up to \$2,900. Majority of our gowns fall within the \$1,200-\$2,000 range.

WHEN SHOULD I START DRESS SHOPPING?

Most of our bridal designers have a standard lead time of approximately 4-6.5 months. However, there are some collections that will allow rush orders with designer approval. We suggest that brides start dress shopping about 9-12 months before their wedding date. We do sell off the rack gowns for weddings with a close event date.

WHEN WILL MY GOWN ARRIVE?

Special orders on wedding gowns take approximately 4-6.5 months, depending upon designer.

HOW DO I KNOW WHAT SIZE TO ORDER?

All of our gowns are made to order by size. Your bust, waist, and hip measurements are taken and then compared to the individual designer's size chart. Our professional stylist will assist the customer with their appropriate size, however the customer will ultimately choose the size they wish to order their gown in. If a bride is in-between sizes, we always recommend ordering the larger size. You can always take a dress in, but can't always take the dress out. Please keep in mind alterations may be necessary. Extra skirt length, sleeve length, train length, or extra size may be available at an additional charge.

DO YOU OFFER ALTERATIONS?

Currently, we are not providing alterations. However, we do have a list of seamstresses available in the Beaufort, Bluffton, Charleston, and Savannah areas.

DO YOU OFFER SHIPPING?

We will gladly ship any merchandise anywhere in the U.S. from our boutique for an additional charge. Charges are case by case. Please inquire with us if this is something you may be interested in.

WHAT ARE YOUR PAYMENT OPTIONS?

Due to the nature of the dresses being made to order, we require 100% payment to order your dress. We do offer payment plans with 50% down and three installments afterwards.

WHO SHOULD I BRING TO MY APPOINTMENT?

Often, brides bring their bridesmaids, mother, future mother-in-law, and sometimes even grandmothers! You may bring as many or as little people as you would like as long as you stay within our maximum guest counts of 4.

Do you offer formal wear for the guys?

We love our guys! We offer Tuxedos for rent or purchase. You and the groom can set up a tuxedo appointment to choose what you both like! We can take his measurements that same day.

Will the other groomsmen have to set up an appointment for measurements?

If they are planning on coming into the store, yes. If they are out of town, they call us with their measurements.

Can you ship men's formal wear?

Yes, we can do direct shipping for tuxedo rentals.
