

BUILT THE TRADITIONAL WAY. BUILT FOR TODAY.

Fine Wood Windows for the *Vintage* Home.

Custom-made, historically accurate wood windows
that preserve the character of your home—
with your choice of original or modern glass.

[EXPLORE WINDOWS](#)[OUR APPROACH](#)

HISTORICALLY ACCURATE

Exact replicas crafted to
match your original windows.

PREMIUM WOOD

Durable, vertical grain
Douglas Fir in whole pieces.

GLASS OPTIONS

From single pane to high
performance. You choose.

EXPERTLY CRAFTED

Traditional joinery. Modern
precision. Built to last.

OUR APPROACH

Preserve the Past. Enhance the Future.

We build fine wood windows that maintain the architectural
integrity of your home while giving you the option to enhance
performance with modern glass.

Faithful to original design. Built with exceptional materials.
Made to endure for generations.

GLASS OPTIONS FOR EVERY PRIORITY

Original character. Your choice of performance.

Choose single pane glass for historic accuracy, or select from modern
high-performance options for improved energy efficiency, sound insulation
and UV protection. The choice is yours.
