

Artwork Requirements

Since screen printing involves pushing ink through a mesh screen, it's crucial that the line work and surrounding negative space is thick enough to provide a sufficient and smooth opening for the ink to pass through.

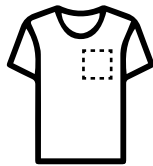

A high quality print requires a high quality file. The following should be considered when submitting your artwork:

Canvas Dimensions

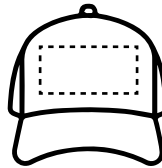

Start by sizing your file based on the following maximum print sizes of your desired merch item:

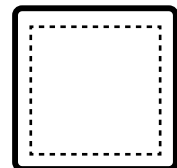

**FULL FRONT
OR BACK**
12 X 15"

LEFT CHEST
4 X 4"

HAT
4 X 2.25"

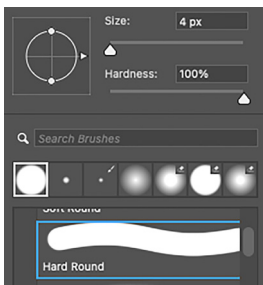

BANDANA
20 X 20"

Raster-based programs

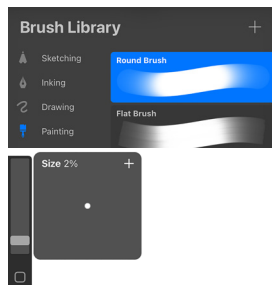

Resolution: 300 dpi minimum

Line Width: Thicker than or equal to the following brush settings:

Photoshop

-Hard Round Brush
-4 pixel size
-100% hardness

Procreate

-Round Brush
-2% size

Text Elements: Rasterize

File Types: PSD, PNG, JPEG, PDF

Vector-based programs

Resolution: n/a

Line Width: 1 point stroke minimum

Text Elements: Expand/convert all text elements to outlines

File Types: Ai, EPS, SVG, PDF

Copyrighted/Offensive Material: We're committed to high-quality service while respecting legal and ethical standards. Therefore, we will not print unauthorized copyrighted or offensive material.
