## DARREN LANGE SWIMMING ACADEMY

TOOWOOMBA'S *Premier* SWIM SCHOOL

The DLSA Level Progression provides each child with a gentle progression of skills from basic water confidence to swimming all four strokes.

The progression has also been designed to suit the individual needs and ability level of each child, allowing them to progress at their own pace.

On the front of this certificate is the level the swimmer has currently achieved as well as the skills they have achieved to an appropriate level.

Regardless of the level reached by the swimmer in the DLSA Program, it is strongly recommended that children be appropriately attired and supervised at all times while in or around water.
