

# What is Mobile2Show

Mobile2Show is the best in class mobile showrooming solution. It targets Competitive Dealerships/Brands in the mobile environment, both on your mobile site and 3rd Party mobile sites while driving prospects into your showroom.

## Target your prospects

## What if the Customer is not on Your Mobile Site?

HookLogic's dynamic incentives can target customers browsing on hundreds of mobile sites and apps, powered by Verve Mobile.

## Our Dealers & OEM partners can:

- Conquest around Competitor's Dealerships with Geo-Conquesting
- Re-Target those Shoppers who have previously expressed interest in your dealership
