

SEVEN BRIDGES SUPPLY

Distribution • Printing • Logistics

Better supply chain performance at lower costs: Seven Bridges

- Cost Reduction on Direct and Indirect spend.
- Strategic Sourcing - access to our network of suppliers for specialty items unique to your industry
- Seamless ordering of large quantity items without inventory holding costs, reducing working capital and preventing overstocking and supply shortage
- Better Management, Control, and purchasing analysis
- Just-in-time inventory management system that lowers customer's inventory levels by as much as 70%.
- Ease of ordering through proprietary online ordering system (Web View), FTP, file transfer and EDI

Offering multiple capabilities
Adding value for both
customers and suppliers

Time spent on procurement is time that could be better spent growing your business. That's where Seven Bridges can help.

We Understand Your Supply Needs

- ☐ Are you spending time managing purchases across multiple locations, departments or business units?
- ☐ Would you like to lower your indirect supply spend across multiple categories and suppliers?
- ☐ Would you like to consolidate your indirect supply purchases on onetime-saving ordering platform?
- ☐ Would you like to prevent spending abuse?

Seven Bridges Supply: Our History

For over 20 years, Seven Bridges has offered supply chain solutions through an innovative technology platform that helps companies of all sizes lower costs and improve performance. A break in the supply chain can reduce a company's revenues, inflate costs, or threaten production and distribution so we provide the supply chain flexibility, agility and dependability that our customers need to thrive.
