CAROLINA COMPUTER SERVICES

Randall Mason, CEO

Don't Settle for Less.
Ask for CCS.

Here to Serve YOU

Carolina Computer Services is proud to be serving Eastern North Carolina. Opened in 1994 we are based on "old-fashioned" values of honesty, integrity, and dedication to excellence. CCS has a 100% Satisfaction Guaranteed policy, and we will do what ever it takes to make sure the client is happy with our products, services and attitude. Having been in the industry since its infancy, we know the technology inside and out. You will not find a more qualified and skilled group of people to help you use, understand, purchase and maintain computers, networks and the associated equipment than CCS.

Experience the CCS Difference

Allow us to come to your home or office for a free consultation.

We will evaluate your present system and computers, and offer free advice that will assist you in your decisions going forward. Whether it be new computer purchases, upgrades, support, data backup, security, wireless services, internet access or any of our other products and services, CCS will be with you every step of the way.
