

## Radlett Lawn Tennis & Squash Club Tennis School 2015

**JORDAN MILES**  
**DIRECTOR OF TENNIS**

I would like to invite you into the RLTS tennis school. The programme caters for any standard and my main objectives are to ensure that our juniors firstly ENJOY their tennis, LEARN the game and eventually COMPETE, whether it is competition at the club, or in our new performance programme and beyond.

Alongside an LTA qualified and experienced coaching team, I have put together a structured programme whereby development will be monitored and criteria will need to be met in order to progress through the system. For more information about the programme, see the 'TENNIS SCHOOL DETAILS' leaflet.

As coaches, we would like to invite all parents of juniors who join the tennis school to a parents evening at the end of the term on Friday 10th July at 6:30 PM. Here you will receive our feedback from the term and we will offer suggestions and give targets for the following term. We would also welcome your feedback!
