“ I had a very bizarre pattern in my life that continually sabotaged my efforts to improve. Whenever I told anyone about it, they thought I was making it up. With Reverse Speech I was able to see exactly what was going on and why it was going on. In four months time I completely transformed a situation I had been working on for 20 years.”

Ken Kettler, Golf Pro, San Diego, CA.

“Reverse Speech has given me more freedom in my life. Obstacles that limited me are not there anymore. I am studying for a new career that I would only have dreamed about before.”

Irene Weston, Engineer Computer Draftsperson could only have dreamed about.
