

CHAMPLAIN VALLEY FARMER COALITION

WHAT?

- Farmers proactively addressing water quality issues in Addison, Chittenden & Rutland counties

Farmers working together for a clean Lake Champlain & thriving agriculture in Vermont

- Advancing local farm economic resiliency and environmental stewardship.
- Education & outreach, potential project funding, and facilitating communication between farmers, agencies & the public to improve water quality

WHO?

You...members are accepted in several categories: farmers, support organizations, service providers, individuals, & businesses

CVFC meets monthly.
