

## LOCATION

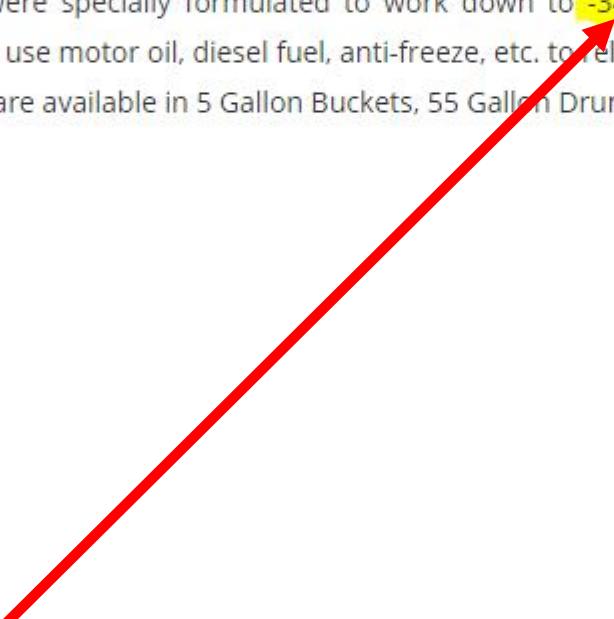

This address should read as: 1002 N Central Expy #499  
Is there a way to add the "N"?

## Cold Load Release Agents

KT Cold Release Agents were specially formulated to work down to **-34°F**. With our cold load release agents, truckers no longer need to use motor oil, diesel fuel, anti-freeze, etc. to release loads in freezing temperatures. Our Cold Load Release Agents are available in 5 Gallon Buckets, 55 Gallon Drums and 275 Gallon Totes.
