4. HOW TO PACK AND SEND YOUR RETURN

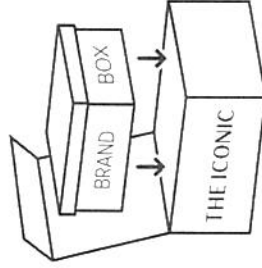

Make sure your item is unworn, unused and with all tags still attached.

Note: Items sealed for hygiene reasons can only be returned if the seal is intact.

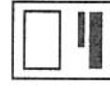

We'll need all product packaging in its original condition. This includes dust bags and branded shoeboxes.

Pack your return back into THE ICONIC delivery box/satchel. If you no longer have this, simply use a similar sized box/satchel.

Seal your parcel securely.

Tape your return label securely to your parcel. Do not cover the barcode.

Drop your parcel off at any Australia Post office so we can track it safely back to us.
