

Bedwell River Trail Design

Client: Clayoquot Wilderness Resort

Location: Bedwell Sound,
Vancouver Island, BC

Project Description:

Developed a trail design and construction plan for a 20 kilometer trail, leading from Bedwell Sound to a series of high elevation lakes in Strathcona Park.

The trail was designed for horses and will feature suspension bridges, campgrounds and incredible vistas over Vancouver Island's wild west coast.

Challenges and Solutions:

Remote site:

- ↳ Dropped in survey team by helicopter.
- ↳ Surveyors tented along the trail for 7 days.

Supplies and equipment

- ↳ Supported field team with heli-drops of food and equipment.
