OAK RIDGE CHRISTIAN ACADEMY IS A MINISTRY  
OF OAK RIDGE REFORMED BAPTIST CHURCH

## — AWARD WINNING —

OAK RIDGE CHRISTIAN ACADEMY is a fully accredited school known for producing students of spiritual and academic excellence. The Academy seeks to partner with Christian parents to cultivate students to grow in wisdom and godliness, all to the glory of God.

## — REMARKABLE TEST SCORES —

Each year our students receive high scores on national standardized tests. Their success does not come from a pressure filled environment, but from

a time proven teaching model which engages the student in learning.

By utilizing classical methods, the teacher is able to show the relationship of ideas throughout history and across subjects.

## — QUALIFIED TEACHERS —

The Bible says that *kind words promote instruction* (Prov. 16:21). Our teachers are respected for their dedication to and love for each student. All of our teachers are life-long learners, and highly qualified in the field that they teach. Many have attained advanced degrees and certifications to best meet the needs of their students. Every year, former students come back to visit the teachers they credit with much of their success.

***“ I am amazed at how well our students do in Academic Competitions! Our students are so well trained. Each year we compete in the ACSI Math, Science, Speech, and Spelling competitions. Even though our tuition is lower, we still have a winning result! We are always winning the top spots in those competitions. ”***

***“Our son was discouraged in the public school system, but the teachers at Oak Ridge Christian Academy saw our son’s capacity for science.***

***He won fourth place in the International Science Fair and went on to work for NASA! ”***

***“We sent our daughter to Oak Ridge Christian Academy during her Junior High years. The Bible teaching and Godly examples of the staff inspired her to become a missionary to Russia! ”***

## — THE WORD OF GOD IS TAUGHT EVERY DAY... THROUGHOUT THE DAY... IN EVERY SUBJECT

Most importantly, our students are taught the Word of God each day. From Kindergarten through 12th Grade, a student will receive over 14,000 hours of classroom instruction. Each of these hours is spent under the guidance of a godly teacher, who not only teaches every subject from a Christian perspective, but models Christ-likeness throughout the day (Luke 6:40).

## — WE HELP PARENTS DEFINE THEIR CHILDREN’S TALENTS

We aid parents in finding their student’s talents and help them reach their full potential. We desire to develop the whole student, providing enrichment opportunities in music, art, drama and athletics.

## — BUILDING A LEGACY —

OAK RIDGE CHRISTIAN ACADEMY has almost a quarter century of history. In this time our school has had an impact on thousands of students, equipping them with the tools that they use to be successful in life. Many of our students have gone on to become lawyers, teachers, missionaries, and engineers.

## — IMPACTING A GENERATION —

We make it our goal to develop students who know the truth, are passionate about the truth, and can communicate the truth in a winsome way. The finished product of our educational efforts are students who are thoroughly equipped to not just leave an impression, but who will make an impact on their generation.

***“We sent all five of our children to Oak Ridge Christian Academy. They are all thriving as a result. The best thing we could give them was an excellent education in a loving, Christ-filled environment.”***

***“We love that each student is taught respect throughout the day! We have noticed a difference in our child since the day he started attending Oak Ridge Christian Academy.”***
