Dear Alicia ,

Thank you for continuing your ASA membership and your renewed commitment to enhancing the quality of life of older adults and their families.

Just a few of the services you will continue to receive are: the publications, "[Generations](#)" and "[Aging Today](#)," a full calendar of informative and relevant [web seminars](#), and participation in any, or all, eight [constituent groups](#) addressing specific and numerous topics.

If you have any questions, thoughts or request for assistance, please contact us at (800) 537-9728 or [info@asaging.org](mailto:info@asaging.org). We very much look forward to serving you over the coming years.

Warm regards,
