

## The Mission

The mission of Lazy Lawn™ Care is simple and straight forward: To change the way people look at artificial grass and lawn care by providing a top of the line product with exceptional lawn care and design processes thus improving the communities in which they live.

To achieve this, Lazy Lawn™ believes that superior customer service as well as providing a superior product should be something that is expected and not an option. We operate our business with integrity and a consciousness of environmental awareness. When it comes to the lawn care industry our staffed are knowledgeable and trained professionals who strive for 100% customer satisfaction.

## **Pet Turf**

Our Lazy Lawn pet turf is a wonder solution for your pet. Made for all breeds of dogs and cats, pet turf is a safe, non-allergenic solution surface for your pets. For your aging pet our recommended installation techniques will provide a soft subtle surface for your pet.

## **Putting Greens**

Looking to practice your putting? Lazy Lawn's specially designed and installed putting greens are sure to take a few strokes off your game! Our professional chipping and putting terrains will provide you with a professionally designed hole in your very own home. Our team of designers will provide you with a putting green made to your specification and needs.

## **Lawn & Landscaping**

Our signature Lazy Lawn grass turf utilizes a soft polyethylene UV protected synthetic fiber. Our durable treated backing will provide you with years of maintenance free worries. Luxurious and realistic our surface will provide you with a "fresh cut" look all the time.
