The screenshot shows a top navigation bar with a search bar, a 'Save' button with a plus sign, and user account options (Add Review, Login, Sign-Up). Below the bar are filter buttons for 'About', 'Business', 'Developers', 'Privacy & Terms', and 'Copyright & Trademark'. A large search area below the filters is divided into three sections: 'BASIC', 'Standard', and 'Advanced', each with a price of \$100, \$200, and \$500 per month respectively. Each section lists features: 'BASIC' lists 'Manage dates and locations for upcoming sessions'; 'Standard' lists 'Manage dates and locations for upcoming sessions for up to 3 courses' and 'Analytics for your courses'; 'Advanced' lists 'Manage dates and locations for upcoming sessions for UNLIMITED courses', 'Analytics for your courses and baseline with comparable courses', and 'Add to New and Featured for a month'.
