# SUDOKU ICON DESIGN

# DESIGN SPECIFICATIONS

Design a Sudoku-App Icon x2 for iOS6/7. Very basic specifications below, but any additional designs or twists to stand out from the competitors are welcome.

## PATTERN A

(1)          (2)

**+**          **=**

YOUR DESIGN

SPECIFICATIONS

a. Keep components like (1). You can remove the wooden frame.
b. Change the looks for iOS7-look. Various color is very much appreciated.
c. Some cell has to be empty. Some cell has to have the number in it.
