Person selling
offers. Happen

And then you
offers

Sim up.

How It Works to Buy

cash delivery at local rather shop

② ~~Star~~ 
Buy or placed bid

Get response back in
w/in specified window,

[If buyer doesn't reply
list is removed →
shaded out]

→ Check sellers response time.

Also problems

③ ~~Star~~ 

The Trade Post will
pick up your stuff

Itemize it. And

deliver it to sellers.

Verify ID. Delivery is
confirmed to buyers.

Held for 24 hrs

for buyer review.
You get paid

③ Set Up time fee

Delivery →

Get stuff review

stuff → If ok
good. If not we
return to seller

Fee free all you
get upon I money

Neighborhood Economics Benefits Your Neighborhood

Infographic

1) Rather than selling something locally by buying it locally, spending that \$ to buy another thing locally, who also buys another thing locally, who uses that \$ to buy something else locally. You have to make each item useful in the example.

2) By establishing trade lines, you encourage and support the networks, more sales, means more competitive pricing

3) Buy & Sell stuff in minutes instead of days

Sells Old Vacuum

Make that old or new product be sold

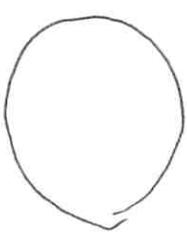

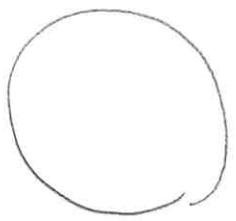

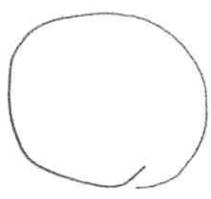

Uses those funds to buy pants

Uses those funds to buy coffee table

Uses those funds to buy TV

Uses those funds to buy dog

Buy pants? Buy produce?

Uses those funds to buy iPad

the circle goes on and on
