

## **Our Core Values**

### **1. Shaped by the Word of God**

*As we believe that the Bible is the reliable, authoritative and sufficient word of God, we want our lives both individually and corporately, to be formed and shaped by the Bible's story of redemption. Together we are committed to sound biblical teaching and doctrine with the desire to adopt the posture of humble, Spirit-led learners.*

### **2. Captivated Worship and Saturated in Prayer**

*We understand that as the gospel changes our relationship with God, from hostility to that of intimacy and joy, the Holy Spirit enables us to see the worth and beauty of God. We as a community are committed to give back to God; vibrant, creative and reverent expressions of his worth.*

*We understand that prayer is what connects us to the heart of God and enables us through the power and presence of the Holy Spirit to carry out the will of God. We as a community are committed to saturate all that we do in prayer and to promote passionate intercession for Christ, the church and our world.*

### **3. Finding the Rhythm of Life in Christ (Abiding, Pruning & Growth)**

*We understand that all aspects of our lives should flow out of a relationship with Jesus Christ. Therefore as a community of believers, we see this as key to our foundation, both individually and corporately. We seek to be rooted in Jesus and submitted to His work in our lives, so that His character would be shown in us, become part of who we are so that we bear much fruit for His glory.*

### **4. An Intentional Gospel Family**

*We are committed to living ordinary life with gospel intentionality. We seek to achieve this by sharing our lives together in Christian community like a family. Together we are to be generous with ourselves, our time and our resources. That we are to be servant-hearted and sacrificial as we care for one another, disciple one another and healthily resolve conflict with one another as it happens. We choose to live like this because the gospel has moved us away from a life of self-centredness to one that is centred on Christ.*

*Also as we understand the story of redemption and our own brokenness, we are committed to welcome other broken people into community and make Jesus accessible to unbelievers. We seek to be a community of grace in which people can be open, vulnerable, supported and have a sense of belonging.*

### **5. Empowered Gospel Ministry Moving Forward**

*We understand that every Christian should function as a missionary, being salt and light, to the place where God has called them whether it's at home, their neighbourhood or at work. We are committed as a community of believers to shape what we do around the gospel opportunities that God has provided and to utilize the gifts and passions of those in our community.*

*We are committed to sacrificially support, develop and release leaders for Gospel ministry where there is little-to-no Kingdom presence in our city, our country and around the world. Finally we are committed to seek justice for those who are powerless around us.*
