

Insperity Payroll Services

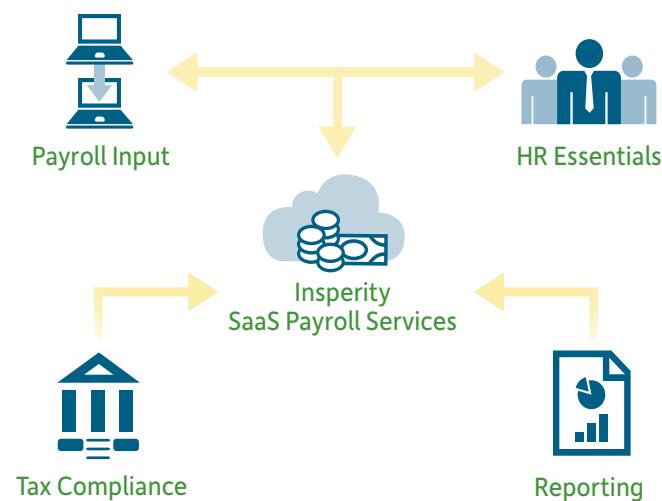

More than a payroll provider – a payroll partner.

A New Approach to Payroll

Insperity™ Payroll Services is a complete business payroll solution designed to help you easily pay your employees, file your taxes on time and comply with all state and federal payroll requirements. Additionally, it offers a suite of integrated services that can further streamline your business practices.

Insperity Payroll Services helps you:

- Easily pay your employees' payroll
- Organize your tax filing
- Comply with all state and federal payroll requirements
- Ease the burden of employee administration with our HR Essentials package

Backed by Excellence

Supported by Insperity's 25 years of industry-leading commitment to improving business processes, this premium payroll solution helps alleviate the administrative burdens associated with payroll and related government compliance responsibilities, so you can focus on what you do best – growing your business.

Benefits of Insperity Payroll Services

Insperity Payroll Services gives your business:

- Stress-free startup for payroll
- Thorough compliance review of your payroll practices
- Dedicated, certified payroll consultant assigned to you
- Accuracy and on time payroll processing, reporting and filing

Regardless of your company's size or payroll needs, Insperity Payroll Service's user friendly Web-based software application gives you:

- Stress-free onboarding of tax reconciliation and balancing along with a guarantee of payroll accuracy
- Employee access to view and print earnings and tax information, as well as give managers faster access to the data they need to make informed decisions and respond to their employee requests

Service-Driven Technology

Insperity Payroll Services is a SaaS-based payroll solution built around the expertise and service of Insperity, the market's leading human resources and business performance solutions provider.

Insperity Payroll Services features include:

- Access to more than 600 standard payroll reports
- Copies of W-2s and 1099s online
- Direct deposit and PayCards for employees
- On demand, customizable reports and much more
- Easy general ledger export files

Stay Ahead of Ever-Changing Regulations

Insperity Payroll Services offers the competitive edge you need to navigate through complex payroll statutes and regulations. Insperity Payroll Services stays abreast of changes in payroll-related laws, regulations and the more than 300 state and federal agencies that have the power to assess penalties against your business.

To help keep you informed and limit your liability, Insperity Payroll Services includes a consultative service, from onboarding to continuous support, that is unmatched in the industry. We stand behind the accuracy of the payrolls, tax filing and reporting performed by our certified payroll consultants.
