Riviera Bali
RESIDENTIAL VILLAS

Love the initials. "The first logo identity proposed is Riviera Bali. It was taken from the word 'River' but with some chick there so it became 'Riviera'. I used the logogram based from the Initial Riviera Bali, 'RB'. From the word 'R' it created a splash effect as a flowing water at the river. and at the word 'b' created a simplify form of leaf to symbolize the

20 single swirls

How it works?

1. Choose some single swirls

2. Rotate, duplicate, reflect & scale them

2. Combine all and...

3. Ready!
