*** FRONT PAGE CONTENT**

For all pages, I prefer boxed design.
Please, I need the responsive pages designs too.

I need it to contain access (links) to the following sections:

Home
Profile (about me)

Face
Breasts
Body
For Men
Skin

Blog / events
In the Media
Testimonial (or a link to patient go to a section to leave a testimonial)

social media links (in brazil people use mainly facebook) - facebook, tweeter, instagram, pinterest, google+, youtube, linked in
Facebook plug-in like this website <http://www.brunopagnoncelli.com.br>

Medical memberships (SBCP, ECAM, ISAPS)

*** DESIGN IDEAS** (notice that you are free to use or not the examples, it is just an inspiration for you. You are who knows what will looks better)

Please, do not use too small fonts as I need to the page be easily used by people from 18 to 60 y.o.

Would be good to use pictures to differentiate procedures (and maybe colors too) and use them on the subpages (Face, Breasts, Body, For men, Skin)

like this:

<http://www.cosmeticplasticsurgerycentre.com.au>

<http://dryaker.com>

<http://www.thecenterforcosmeticsurgery.net>

*** TYPES OF SURGERIES AND PROCEDURES:**

Each Type of surgery should have a subpage with links to their related surgeries, as these examples:
