These are examples of other leading
experts in a similar field to mine.

KERWIN RAE

ANTHONY ROBBINS
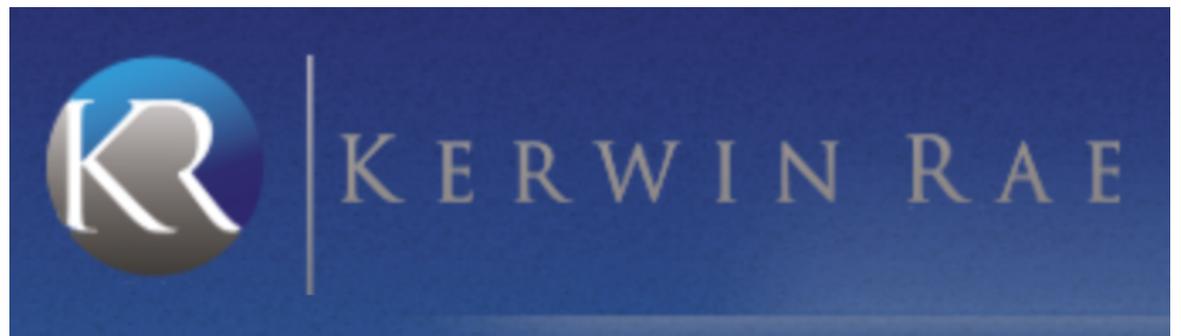

And an example that caught my eye,
although the colours are too neon.

This is how my name should look with the
web link underneath the Campbell.

I'm open to variations of optimus princeps
font that are more embracing.

A line to divide the circular logo and my
name to be placed here.

I'm looking for a circular logo to the
left of my name that incorporates the
"e and c" but with gradient, shading
or a creative design like the
examples above. etc
