

RHYTHMTEAM
Brilliant Team Building with Purpose

You've never experienced Team Building quite like this....

Within 60-75 minutes, watch as your participants change from a disconnected room of individuals staring at their smart phones into a highly engaged, creative and self-facilitating team.

"This was a great session! It was energetic, fun and tied really well to our value messages. Especially "Winning Together" and "Courage". It was an invaluable addition to our meeting"

Chrissy Stengel -Senior Manager, Corporate Communications Del Monte

Groups of 20 to 1000. All instruments are provided. Beginner friendly.

By the end of a RhythmTeam experience, your team members will have the opportunity to:

1. Recognize when the group is aligned with its shared purpose and how that affects the overall result.
2. Identify how "mistakes" can equal new learning.
3. Describe how shifting the attitude paradigm in an organization's culture impacts effectiveness.
4. Discover how personal willingness and choice affects outcomes for everyone.
