- Page Content:**
 - Section Header:** Who We Are
 - Text:** The world of business is constantly evolving. Practices and businesses of all kinds are looking for ways to maximize their efficiencies. 10 years ago, very few companies had adopted electronic reminders for their customers and patients, but today it's something that is actively sought after. Because of the growing popularity of reminder services and software, the market can be an overwhelming undertaking for a buyer to take on by themselves. Weeks of research, headaches and confusion is commonplace in trying to determine which vendor to select.
 - Text:** Reminder Reviews is place to help professionals of many kinds find the very best appointment confirmation and customer engagement software for their specific needs. We've thoroughly reviewed X companies and have built a fantastic resource for both buyers and vendors to connect.
 - Text:** Our team of Reminder Experts actually talk with every buyer on the telephone and conduct an extensive needs analysis to help narrow down the long list of potential vendors to leave the buyer with a short, manageable list of companies that best suit them. By having meaningful conversations with each buyer, we're able to help them eliminate an average of 2.3 weeks of research in their evaluation process and avoid potential costly mistakes.
 - Text:** We're headquartered in lovely Salt Lake City, Utah.

Is your sales team grumbling about their leads (or lack-thereof)?

Marketers and Sales leaders recognize the huge opportunity costs involved with having their sales teams chase down unqualified leads. Not only is it prohibitive to their time, but it prevents them from focusing their activity on generating revenue. We've talked to your sales teams and to you and we've recognized that tradeshows and ppc just aren't cutting it for you anymore.

Practices and businesses are searching more than ever for reminder software and we are the only destination for them to compare vendors and learn how to evaluate your solutions online. In turn, we've built a powerful audience of medical, dental & vision practices, along with many other businesses that are actively searching for reminder software.

Reminder Reviews is a powerful new lead generation tool for Reminder Software & Service companies of all kinds. We connect actively searching and ready-to-buy practices and business professionals with you and go far beyond the traditional referral, affiliate program or tradeshow.

Reminder Reviews speaks with every single buyer on the phone and conducts a robust interview to determine things like:

- ✓ Budget & Price Expectations
- ✓ Overview of their Organization
- ✓ Timeline to Purchase
- ✓ Buying Criteria & Decision-Making Process
- ✓ Specific Business Needs & Project Requirements
