Frequently Asked Questions

► *Can I have fashion sunglasses made to my prescription?*

~~Yes.~~ It does depend on ~~glasses~~ and your prescription. We offer a range of ~~glasses~~ that can be fitted with prescription lenses.

► *If I want new prescription lenses fitted to my existing pair of glasses, do I have to go without them for a week?*

No. We can usually fit new lenses to your own frame onsite. You only need to be without your ~~glasses~~ for a few hours.

► *Do I have to purchase my spectacles where my private health fund directs?*

No. It is your decision where to have your eyes tested and where to purchase your spectacles or contact lenses. We can direct bill your private health fund with the HICAPS system.
