Älska; Swedish (v): to love, adore, be fond of, cherish
 This natural maple syrup originates from our family farm in the heart of the Eastern Townships of Québec. Every spring we harvest forty litres of clear sap from each maple tree to produce one golden litre of syrup. Nothing is added but love! Enjoy!

Älska; (v) suédois: aimer, adorer, chérir
 Ce sirop d'érable, entièrement naturel, provient de notre ferme familiale située dans les Cantons de l'Est du Québec. À tous les printemps, nous récoltons de chaque arbre quarante litres d'eau d'érable, que nous transformons en un litre de sirop doré. Rien n'est ajouté, sauf de l'amour! Bon appétit!
