Because of his small size, I consider Mochi one of my Amigurumi “gems”. (Other gems will be available in the near future) He is quick and easy to make and doesn’t require much yarn.

Experiment with different colors and create your own bunny army! Consider making these as adorable and unique party favors! Or attach a key ring to the top of the head and he can become a cute little zipper pull for a backpack! There are endless possibilities! Have fun and happy crocheting!!
