

## GROW YOUR GREEN BUILDING BUSINESS WITH RATE IT GREEN'S DIRECTORY LISTINGS

- Showcase your Products/Services
- Feature Client Ratings and Testimonials
- Promote your Company News

Showcase your company and drive new business with Rate It Green's FREE Basic and Premium Directory Listings. Add your products and services to Rate It Green's Directory and build credibility with client reviews and testimonials. Participate in the network to gain attention and share your industry experience. Introduce your company with a Free Basic Listing, or select a Premium Listing to add features, upgrade to priority placement, and expand your company's marketing opportunities.

### FREE/BASIC DIRECTORY LISTINGS - "Get Listed"

Rate It Green's FREE listing provides a platform to introduce your green building products and services, network with others, exchange links and feature your client's reviews and testimonials. Create your company profile, and network with other green builders and organizations today.

### PREMIUM DIRECTORY LISTINGS - Expand your Opportunities

Upgrade to Rate It Green's Premium Listings to promote your company within the Rate It Green Network, and beyond. Premium Listings offer additional space, categories and images, and added features such as Direct Sales Lead forms and Company Blogs. Companies with Premium Listings also participate in Rate It Green's Media Program, which includes social media posts, newsletters, and on-site Member News announcements.
