Victor's Adventures has been written in such a way that it takes the reader on a step by step learning journey from basic, EASY to FOLLOW Spanish through to an very decent advanced intermediate level.

Victor's Story...

After living his whole life in York, England, Victor takes the decision to turn his life completely around and start afresh in Toledo, Spain.

His aim is to have a real adventure and experience fully the culture and the language that Spain has to offer.

Adventure is certainly what he finds, although not all of his experiences are what might be described as positive.

Throughout his journey, Victor finds himself in a wealth of practical, day to day experiences that every student of the Spanish language will find not only valuable but often quite amusing. (He's not the luckiest of chaps!)
