WE ARE A GROUP OF FARMERS AND FOODIES WHO BELIEVE THAT REAL FOOD IS THE FOUNDATION FOR A SUSTAINABLE AND EQUITABLE TOMORROW

- ✓ 4P Foods sources farm-fresh food from farms in the Washington DC local food shed and delivers to your office or apartment building.
- ✓ There is no minimum commitment and no tricky sign-up policy. If you don't like what we bring you, cancel anytime.
- ✓ We offer a variety of sizes and products to fit any household and budget.
- ✓ A typical summer bag might include heirloom tomatoes, summer squash, sweet corn, blackberries, bell peppers, peaches and cucumbers.
- ✓ We are careful in selecting our farmers. All of our growers understand and embrace their role as stewards of the land.
- ✓ We believe that everyone should have access to fresh, healthy food, so for every 10th bag we sell, we donate one to a local charity.
