As former Managing Director of one of the largest global Investment Banks, and an Asia Region Expert, Chris offers his clients access to a global network of contacts, and hands on” experience

CUSTOMER TESTIMONIALS

“Chris added immediate value to Strategic Blue, delivering his insight and expertise to help me clarify our corporate strategy, capital structure and risk management plans. As a CEO of a rapidly growing company, I find he is someone I can always turn to for sound, considered advice that I can trust. It is a real benefit for me to have someone with his depth of global experience to guide our Board”

James Mitchell, CEO, Strategic Blue

“Chris has been an invaluable advisor to Fine Art Bourse and is a key member of our Advisory Board. Time and again he has helped me to think clearly about the key issues facing my business, and his specialist knowledge of the complex arena of global risk management and payment systems has been without peer.”

Tim Goodman, CEO, Fine Art Bourse

“We hired Chris during a time of some stress for our firm. He swiftly conducted a whole of business review for us, and delivered to the Board a clear list of recommendations that we could both understand and action. He then guided the Board through some complex and sensitive negotiations, delivering for us where others had failed. He is someone you can trust”

Anthony Portos, Board Member, Sonar Music
