MOSQUITOES**

**Your children and friends can  
enjoy being outside again.**

Our barrier misting program will guarantee your yard to be mosquito free.

Our natural misting agent will place a barrier around your property and terminate any existing mosquitos, ticks and other harmful insects that can spread diseases like West Nile Virus, Lyme's Disease, Encephalitis, Dengue Fever and Malaria. Treatments will be applied approximately every 21 days during the mosquito season to control these pests.
