

Teflon® Brand.
Truly Advanced Nonstick Coatings.

Nothing messes with DuPont™ Teflon® – not breakfast, lunch or dinner. It's the #1 brand of nonstick coatings for a reason. Made to outlast ceramics 7 to 1, Teflon® nonstick coatings are durable and long-lasting. And this year, we're set to premiere six dynamic new colours and an exciting new marketing campaign. So come rediscover Teflon® nonstick coatings and see why nothing messes with it.
