

WELCOME TO SPORTS DREAMS

“Fueling Rare Dreams”

WHY WE EXIST....?

- ▶ 81% of Detroit High School students do not attend PE.¹
- ▶ 21% of Detroit High School students do not participate in at least 60 minutes of physical activity on any day.¹
- ▶ Limited access to after-school recreation and tutoring programs
- ▶ Just over half of Detroit's children under 18 lived in poverty, compared to less than one in four children statewide.²
- ▶ The death rate for Detroit children 1 to 14 years of age was nearly 6.5 times the state rate. For the 15 to 24 age cohort, Detroit's death rate was 2.2 times the state rate.²
